## Carport-in-a-Box® – A Permanent Alternative to a Fixed Garage

Carports, like garages, are great for storing and protecting vehicles, boats, lawn equipment or for storage. Carports allow greater airflow than a garage while offering most of the UV ray and rain/hail protection. Carports can be used along with a garage to offer a dry unloading space for your vehicle or, for those in warmer climates, to just offer sun protection.

Our newest designed carport – part number 62635 is available FOB Ningbo. This carport has 51 mm diameter tubes along with heavy duty wind braces to allow a very sturdy building. Also, the 100% waterproof cover includes extended valances down the sides to offer more protection from the weather.

Along with these features, this carport carries standard ShelterLogic technology such as:

- 156 g/m<sup>2</sup> PE ripstop waterproof fabric that is treated for UV and has added fade blockers.
- DuPont™ premium powder-coate steel to resist chipping, peeling, and rust.
- ShelterLogic Easy Slide Cross Rail™ system for correct cover installation and tightening.

## September the second – A great day for our German distributor.

Christian Maas

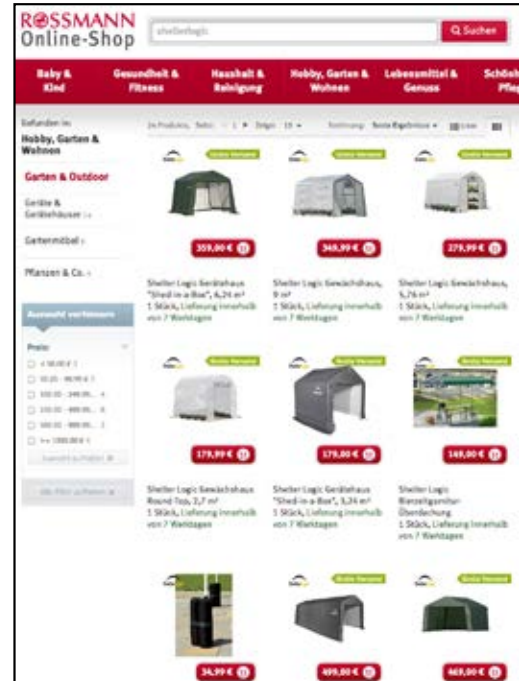

Christoph Schmitz

Clemens HobbyTec is known for its commitment to train young people. Both Managing Directors, Christoph Schmitz and Christian Maas also started their careers as trainees, and now they are at the highest possible management level. This commitment will be honoured by a visit from Joachim Gauck, federal president of Germany. Congratulations, keep up the good work.

## ROSSMANN Mein Drogeriemarkt

Germany located company Rossmann, one of the leading European drugstore chains, decided to take one of our sheds (70401) to a nationwide newspaper insert campaign. There will 24 million inserts distributed. Clemens HobbyTec, will take care of the drop shipment handling to the end consumers on behalf of Rossmann. The buyer from Rossmann is confident about the success of this campaign.

- Rossmann has over 1800 local stores
- Turnover 4,5 Billion EUR
- Number 37 in worldwide retailing ranking

ACD, our distributor for Belgium and the Netherlands, has been awarded by the retail industry, as one of the best suppliers in Belgium.

The entire ACD Team

Holding the certificate is Mr. Bart van Lierde - Sales Director of ACD

## Spoga+gafa 2014

ShelterLogic is worth a visit during the 2014 SPOGA edition. Not only to see new products, but to see what we have achieved and talk to our European distributors; or just to

see which opportunities the ShelterLogic range of products offer. Whether retail trade, agricultural trade, or e-commerce, ShelterLogic offers the right product for your sales channel. Come and see us...

**Save the Dates:** 1. Spoga The Garden Trade Fair, Cologne, Aug. 31-Sept. 2  
2. NORLA Agricultural & Municipal Trade Exhibition, Sept. 4-7
